Born / Citizenship

Hannover - Germany / citizenship: German

Residency

Since 2007 permanent resident status USA

Education

Diplom / Master of Architecture equivalent, University of Hannover, Germany 1994
University of Nebraska-Lincoln, USA 1990-1991
Vordiplom / University of Hannover, Germany 1990

Professional Practice

Registered / licensed architect in Lower Saxony, Germany since 1996, Reg. Nr. 13595, US reciprocity pending

Affiliations: BDA (German AIA equivalent) 2000 - 2014

Joint venturing with Cynthia Despang and Isabel Schlüpmann / Munich, 2008 - present

Founding Principal of Despang Architekten, Hannover Germany, 2000 - present

Competitions and projects with Architekten Despang und Schefczik und project architect in the office of Günther Despang Dipl.-Ing. Architekt BDA, Hannover / Germany, 1992-1999

Competitions and projects with Architekten Schweger und Partner, Hannover / Germany, 1991

Competitions with Professor Alexander Maller and Doug Ross - Lincoln / Nebraska / USA, 1990 – 1991

Teaching

University of Hawaii Manoa Professor of Architecture / (tenured, promoted 2014) 2012 - present:

Arch 692 elective "Treeitecture - Proletarian People Power Tower", spring 2016, spring 2017

Arch 342 "Intermediate Arch Studio B", spring 2016, spring 2017

Arch 321 "Intro to environmentalism", fall 2015, fall 2016

Arch 744 "large buildings" design studio, fall 2015

Arch 342 "Intermediate Arch Studio B", spring 2015

Arch 692 elective "Treeitecture – Container Freedom / Freedom Container Dwelling", spring 2015

Arch 542 "Vertical Ahuapua'a", fall 2014

Arch 692 elective "Treeitecture – CTAHR Learning Exchange Headquarters", spring 2014

Arch 342 "Intermediate Arch Studio B", spring 2014

Arch 523 "architecture systems III: qualitative structural and bioclimatic building performance", fall 2013, fall 2014

Arch 542 "large buildings" design studio, spring 2013

Arch 544 "comprehensive" design studio, fall 2012, fall 2013

Arch 691 elective "Treeitecture "Hawaiian Home", co-taught with Jason Selley, spring 2013

Arch 525 "architecture systems IV: sustainability", spring 2013

Arch 526 "architecture systems V: integration, fall 2012

University of Arizona Associate Professor of Architecture / "Critical Practice"(tenured) 2010 – 2012:

Arc 510c "March II design studio", spring 2012

Arc 401 "technology integration" design studio, fall 2011

Arc 402 "urban form" design studio, spring 2011

Arc 451 4th year design studio: "school-ing", fall 2010

Arc 441 "contract documents", spring 2011, fall 2011

Arc 497b elective seminar "tactics + techniques of types, technologies + tectonics", fall 2010

Arc 451 "ethics and practice" seminar, fall 2010, spring 2012

University of Nebraska Associate Professor of Architecture (promoted and tenured 2008), 2008 – 2010:

ARCH 411 "urbanism" senior-level design studio: "gloc-alizing Boone County", spring 2010

ARCH 430 4th year adjunct "technological integration", fall 2009

ARCH 510 advanced vertical studio: "re-pioneering", fall 2009

ARCH 510 advanced vertical studio: "stuff-ed", spring 2009

ARCH 410 "tectonics" senior - level design studio : " Gulu Uganda school", fall 2008

University of Nebraska Assistant Professor of Architecture 2005 – 2008:

ARCH 510 advanced vertical studio: “slowed motion”, spring 2008
ARCH 410 “tectonics” senior-level design studio: “College of Health/Omaha”, fall 2007
ARCH 140 Visual Literacy, cross disciplinary foundation design studio, spring 2006, spring 2007, fall 2007, fall 2008
ARCH 211/221 Basic design studio (sophomore level), spring 2006, spring 2007
ARCH 597 professional graduate elective seminar “materiality for building types”, fall 2006, spring 2008, spring 2009, spring 2010
ARCH 597 professional graduate independent study / furniture, spring 2006, spring 2007
ARCH 510 advanced vertical studio: “domestic re-rooting”, fall 2006
ARCH 410 “tectonics” senior-level design studio: “a tower for Berlin”, fall 2005

University of Applied Sciences Bremen/Germany:

MA 5.2 Master of Arts, advanced graduate level studio, 2005
MA 4.3 Master of Arts, basic graduate level studio, 2004, 2005
MA 4.2 Master of Arts, basic graduate level studio, 2004
BA 1.1 Bachelor of Arts, freshmen basic design level, 2005
BA 1.2 Bachelor of Arts, freshmen basic design level, 2004
Diploma degree studies/professional graduate level lecture “tectonics”, 2003

University of Applied Sciences Hannover/Germany:

Diploma degree studies/basic design level studio, spring 2001, fall 2001

University of Hannover/Germany:

Institute of urban studies, summer academy, “Offshore island Borkum 2002”, summer 2001

PhD advisor: Michael Vogt: Leibniz University Hannover.

Graduate thesis mentor: UoA-USA: Michael Ritzenthaler 2011, UNL-USA: Yaravi Lopez-Wilson, Jacob Slobotnik 2010 / Erin Wencel, Stephanie Peterson, Stacey Hageman 2009 / Amber Ellett, Jay Anderson (Cunningham medal winner - best design thesis) 2008 / Erin Mumm, Dan Siedhoff 2007 / Alissa Piere 2006 (Cunningham medal finalist / best design thesis) /, Leibniz University Hannover/Germany /Co-mentor : Kerstin Kuhlgemeyer 2007 / University of Applied Sciences Hildesheim-Germany: Christian Ritter 2004 / University of Applied Sciences Oldenburg-Germany: Hartmut Möller 2003 / University of Applied Sciences Hannover-Germany: Pischtivan Khanaqa+ Svenja Stern 2002

Teaching awards:

University of Nebraska/ USA, College Distinguished Teaching Award, \$1000, 2009

University of Nebraska/ USA, Tau Sigma Delta Silver Medal, 2008

[award for distinctive professional with significant contribution to the College of Architecture and its students / this being first time ever in its history given to an internal practitioner]

- 2003 "fire rating design concept for the solid wood school for mentally disabled children", author in collaboration with fire rating engineer Dr.Rüdiger Hass, Baumeister B4, April 2004
- 2000 "Compositional Transport Structures between Serialization and Individuality: the EXPO Urban-Rail Platform for the D-South line in Hanover", sole author, DETAIL, Series 2000 4, Urban Planning Details, June 2000
- "Compositional Transport Structures between Serialization and Individuality: the EXPO Urban-Rail Platform for the D-South line in Hanover", sole author, www.detail.de:DETAIL PLUS with additional tectonical drawings, June 2000

Service Activities

Academic Service (internal)

2014-	UHM SoA member "architectural personal committee"
2014-	UHM SoA member "facilities committee"
2015-	UHM SoA member "portfolio review committee"
2012-2014	UHM SoA chair "lecture series committee"
2012-	UHM "technology stream curriculum coordinator"
2012-2013	UHM faculty senate chair
2012-2013	UHM SoA search committee member:"practicum and outreach"
2012-2013	UHM SoA member "lecture committee"
2012-2013	UHM SoA member "curriculum committee"
2012-2013	UHM SoA member "portfolio review committee"
2011-2012	UoA CALA "practice stream" coordinator
2011-2012	UoA CALA Curriculum Committee member
2011-2012	UoA CALA 4 th year design studio coordinator
2011-2012	UoA CALA academic search committee member: "Theory and History"
mid 2010/ mid 2011	ACSA UoA CALA councilor
2010	UoA CALA academic search committee chairing, Design Faculty Position "Environmental Control Systems"
2008-2010	UNL lecture series and "Hyde Chair of Excellence" selection administration
2008 fall	exchange with School of Architecture University of Applied Sciences Bremen/Germany /initiation and coordination of first students in 2008/2009 Cristina Lorie and Erik Leahy with scholarship of each 9000 \$
2008-2010	UNL AIAS advisor
2007 spring	chair Student Affairs Committee
2007 spring	academic search committee, Design Faculty Position "Sustainability"
2006 spring + fall	Student Affairs Committee
2006 spring	academic search committee, Design Faculty Position "Interior Design"
2006 spring	College Council
2005 fall	College Council
2005-2007	Red letter day / freshmen recruiting exercises

2005-2008 participation in departmental, student organized activities like Hindsdale+ Beaux Arts Ball

Academic Service (external)

"Curricular workshop" Faye Jones School of Architecture, Fayetteville/AR/USA, May 2012

Panel discussion member AIAS Mid-West quad conference, Lincoln/NE/USA, October 2009

Jury membership" 2009 ACSA Concrete Student Competition", Washington DC June 2009

Jury membership" 2009 Xella Student Competition", chapter North , Hannover /Germany June 2009

Jury membership" 2007 Xella Student Competition", chapter East, Berlin/Germany June 2007

Jury membership " Heintzelman Award 2007" for the best design thesis project, Kansas State University Manhattan/KS/USA, May 2007

"Uni extern-Auf nach Nebraska/University intern-heading Nebraska", co-authored report about the experience first as a student and later as professor in Lincoln/USA in the University of Hannover newsletter, November 2005

Jury membership" 2004 Xella Student Competition", chapter North, Hannover/Germany June 2004

Jury membership, Student competition: "Das Architekturdetail im Gesamtentwurf-the (relevance of the) architectural detail in the overall design", Architektenkammer Niedersachsen, Hannover/Germany, February 2004

Invited academic lectures:

University of Hawaii Manoa / USA, Department of Tropical Plants and Soil Sciences : " green building design and materials " , April 2017

University of Hawaii Manoa / USA, Department of Tropical Plants and Soil Sciences : " green building design and materials " , Nov 2016

University of Hawaii Manoa / USA, School of Architecture PAN AIAS, Nov 2016

University of Hawaii Manoa / USA, Department of Tropical Plants and Soil Sciences : " green building design and materials " , April 2016

University of Hawaii Manoa / USA, Department of Tropical Plants and Soil Sciences : " green building design and materials " , October 2015

University of Hawaii Manoa / USA, Department of Tropical Plants and Soil Sciences : " green building design and materials " , March 2015

University of Iowa / USA, AAA lecture series, November 2014

University of Nebraska Lincoln / USA, Hyde Lecture Series, November 2014

University of Hawaii Manoa / USA, Department of Tropical Plants and Soil Sciences : " green building design and materials " , November 2014

University of Hawaii Manoa / USA, Department of Tropical Plants and Soil Sciences : " green building design and materials " , November 2013

University of Applied Sciences Hildesheim/Germany: "works", June 2003

University of Hannover/Germany: "wet spaces", May 2004

University of Applied Sciences Detmold/Germany: teaching position application lecture (finalist/2 place):"materials", June 2003

University of Applied Sciences Oldenburg/Germany: "works", July 2002

University of Hannover/Germany: "made in Hannover", August 2001

University of Hannover/Germany: "stone tectonics", May 2001

University of Applied Sciences Hannover/Germany: "works", April 2001

Invited academic critic:

University of Iowa / USA, November 2014

Leibniz University Hannover/Germany, invited critic (paid), " hawa dormitory student competition " seminar review for Prof. Michael Schumacher June/July 2013

Leibniz University Hannover/Germany, invited critic (paid), "horsepower" seminar review for Sven Martens June 2013

Florida Atlantic University / USA: invited critic 4 th year design studio review, April 2012

Arizona State University / USA, invited critic 4 th year design studio review for Visiting Professor Jack DeBartolo III, December 2011

Faye Jones School of Architecture , Arkansas/USA, invited crit (paid), end of semester 4th year reviews, December 2011

Arizona State University / USA, invited critic 4 th year design studio review for Visiting Professor Jack DeBartolo III, November 2010

University of Idaho, College of Art & Architecture invited crit (paid), / USA, April 2010

Kansas State University/USA, invited critic 5 th year design studio review for Professor Susanne Siepl – Coates and Visiting Professor Alan Dunlop / Glasgow, November 2009

Kansas State University/USA, invited critic, 5 th year urban design studio review for Assistant Professor Ulf Meyer,November 2009

Faye Jones School of Architecture , Arkansas/USA, invited crit (paid), end of semester thesis and 2 year reviews, April 2009

Kansas State University/USA, invited critic (paid), 4 th year design studio review for Assistant Professor Nathan Howe,

May 2009

Cesuga University College Dublin, School of Architecture / La Coruna Spain: invited crit (paid), wood studio review, November 2008

University of British Columbia / Vancouver Canada, invited crit (paid), sustainability studio review, October 2008

Leibniz University Hannover/Germany, invited critic (paid), design studio review "GKD mesh design build bar" for Sven Martens, July 2008

Leibniz University Hannover/Germany, invited critic (paid), design studio review "Dwelling along the water" for Matthias Buchmeier , June 2008

Leibniz University Hannover/Germany, invited critic (paid), design studio review "Building systems" for Katja Ahad, June 2008

Kansas State University/USA, invited critic (paid), 5 th year design studio review for Assistant professor Nathan Howe, March+May 2008

Leibniz University Hannover/Germany, invited critic (paid), design studio review "museum for musical instruments" for Katja Ahad, June 2007

Leibniz University Hannover/Germany, invited critic (paid), design studio review "mobile architecture" for Henner Winkelmüller, June 2007

Welsh School of Architecture/UK, invited critic (paid), 1 year design studio final review for Paola Sassi, May 2007

University of Manhattan Kansas/USA, invited critic, "rapid prototypic design" for Nathan Howe, May 2007

University of Hannover/Germany, invited critic (paid), design studio review "" for Han Slawik, June 2006

University of Hannover/Germany, invited critic (paid), design studio review "material inventions" for Julia Bergmann, June 2005

University of Applied Sciences Detmold/Germany : invited teaching application workshop critic (paid), "materials", June 2003

University of Hannover/Germany, invited critic (paid), design studio review "light rail" for Zvonko Turkali, May 2001

University of Applied Sciences Hannover/Germany, invited critic (paid), design studio review "center for mobility" for Bernd Kreikenbohm, March 2001

University of Hannover/Germany, invited critic, design studio review "kindergarten" for Hanspeter Schneider, November 1999

Professional Service

Conferences + Symposia

"German Hawaii Clean Energy Symposium ", Honolulu Hawaii USA, invited keynote speaker, Nov 2016

VIII International TMT (Thermal Modification Timber) workshop conference, Dresden Germany, invited keynote speaker, May 2016

"Eco Architecture", International Conference by the Wessex Institute of Technology, invited abstract "Exotics", Alicante, Spain, June 2016

5th International Lafarge Holcim Forum , forum participation invitation, Detroit MI USA, April 2016

AIA Hawaii Honolulu, panelist “civic architect”, Honolulu Hawaii, October 2015

VIII International TMT (Thermal Modification Timber) workshop conference, Dresden Germany, invited keynote speaker, May 2014

USGBC Chapter HI, “Build and buy green 2014, “net zero and net positive” 14 annual conference: “universal poetry” , Honolulu HI in May 2014

Plea 2013 conference,” officehome Oberhaching / (B)avarian Home + UHM (H)awaiian Home” peer reviewed, selected and presented as part of the collaborative paper: “Rediscovering Dwelling” with Barbara WIDERA PhD Eng. Arch. Faculty of Architecture, Wroclaw University of Technology, Wroclaw, Poland, in Munich Germany in September 2013

Ecocity 2013 conference,” UHM (H)awaiian Home” peer reviewed, selected and invited for presentation as part of the collaborative paper: “structures shaping ecocities ” with Barbara WIDERA PhD Eng. Arch. Faculty of Architecture, Wroclaw University of Technology, Wroclaw, Poland ,in Nantes France September 2013

lecture "Thermal Modification of Wood: Processes, Performance and Applied Design" in collaboration with Patrick Donahue, University of Minnesota-Duluth at the " 109th American Wood Protection Association Meeting", Honolulu Hawaii USA, April 2013

keynote speech " North American Wood Windows and Doors Symposium ", Roseville Minnesota, April 2013

Plea 2012 conference,” Headquarters Krogmann and Farmhouse Voges” peer reviewed, selected and presented as part of her paper: “Environmentally Responsible architecture in Temperate and Colder Climate” by Barbara WIDERA PhD Eng. Arch. Faculty of Architecture, Wroclaw University of Technology, Wroclaw, Poland, in Lima / Peru November 2012

keynote speech " First US Thermally Modified Wood Forum", Princeton West Virginia USA, 2012

VII International TMT (Thermal Modification Timber) workshop conference, Dresden Germany, invited keynote speaker, April 2012

100 th ACSA annual meeting, Boston, MA, Faculty Design Award winner presentation: “Architectural Neighboring”, March 2012

“dasHAUS” Net-Zero House Conference, Tempe Arizona, by the German Chamber of Commerce in collaboration with the city of Tempe and Arizona State University, invited panel speaker, January 2012

Plea 2011 conference,”Postfossil Ecowoodbox kindergarten ” peer reviewed, selected and presented as part of her paper: “Passive and Low Energy Architecture in Education of Contemporary Architecture” by Barbara WIDERA PhD Eng. Arch. Faculty of Architecture, Wroclaw University of Technology, Wroclaw, Poland, in Neuve Belgium July 2011

EXPO Real, largest German Real Estate Fair, invited keynote speakers to present “Headquarters Krogmann” at the stand of the German Federal Architectural Chamber and the German Sustainable Building Council as selected project out of 8 projects nationwide to represent Germany’s cutting edge, contemporary building culture, 4-6 October 2010

VI International TMT (Thermal Modification Timber) workshop conference, Dresden Germany, invited keynote speaker,

May 2010

97 th ACSA annual meeting, Portland, OR, Faculty Design Award winner presentation: "Tram Stations", March 2009

97 th ACSA annual meeting, Philadelphia, OR, Faculty Design Award winner presentation: "Coffeetime", March 2009

"Eco Architecture", International conference by the Wessex Institute of Technology,
Algarve, Portugal, invited, presented paper in collaboration with design thesis student Amber Ellett:
"Generation P[ostfossil]", June 2008

"A Delicate Balance-Beauty and Ecology in Architecture in a Post-Fossil World", collaborative paper presented by initiating graduated student
Amber Ellett, Ometeca Institute, Working conference X on the Relationships between the Humanities and the Sciences, University of South
Florida, Florida, USA , June 2008

V International TMT (Thermal Modification Timber) workshop conference, Dresden Germany, invited keynote speaker,
April 2008

Annual meeting of the Arbeitsgemeinschaft PVC & Umwelt/Working group PVC & Environment, Bonn, Germany,
paper to be presented:" Stoff für Kunst(t)räume/ Stuff for Art(Dream)Spaces", September 2007

Urban transport conference XI, International, interdisciplinary conference by the Wessex Institute of Technology,
Coimbra, Portugal, accepted paper to be presented:"social motion", September 2007

95 th ACSA annual meeting, Philadelphia, PA, Faculty design project: "Culinary Military Space", March 2007

Design and Nature III conference, International, interdisciplinary conference by the Wessex Institute of
Technology, Southampton, UK, accepted paper presentation:" build trees", May 2006

IV International Thermowood workshop conference, Leipzig Germany, paper presented, November 2005

II International Thermowood workshop conference, Dresden Germany, paper presented, April 2004

DEUBAU Award presentation at the fairgrounds in Cologne, 2004

Annual meeting of the Hagebau company (German Home Depot equivalent), keynote speaker, topic: "architect and material trade" and at the
Halle an der Saale/Germany 2002

Deutscher Klemnertag/German Plumber Day, keynote speaker, Würzburg/Germany, 2001

German Galvanizing Association, "Steel in architecture", paper presented, November 2001

**Additional professional
service activities:**

"Think Tech Hawaii" invited peer reviewed moderator of weekly broadcasting show "Human(e) Architecture", August 2016 – February 2017
(22 shows) ongoing

Engineers and Architects of Hawai`i, lecture : "we the people", January 2017

Engineers and Architects of Hawai`i, lecture : "houselessness ", January 2016

"Think Tech Hawaii" invited guest with Keli`l Akina , topic : "Hawaii a creative problem", January 2016

"Think Tech Hawaii" invited guest with Howard Wiig, topic : "Autoclaving to Perfection ",October 2015

" HawaiiNewsNow TV coverage volcrete initiative", October 2015

" KITV coverage volcrete initiative", Hawaii September 2015
